

How to make a Pocket Book Foldable®*

1. Fold a piece of 8 ½” x 11” paper in half horizontally (like a hamburger).

2. Open the folded paper and fold one of the long sides up two inches to form a pocket. Refold along the hamburger fold so that the newly formed pockets are on the inside.

3. Glue the outer edges and the center (on the valley/crease) of the two inch fold with a small amount of glue.

4. As you complete each individual Nutmeg book, glue your Pocket Books “side-by-side” to create a quick resource for future use.
